PETITION TO WITHDRAW HOLDING OF ABANDONMENT

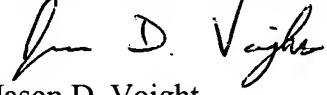

In response to the Notice of Abandonment of April 18, 2005, applicants hereby request withdrawal of the holding of abandonment based on failure to receive Office action (see MPEP 711.03(c)II). According to the Notice of Abandonment, applicants failed to timely pay the required issue fee. However, applicants never received a Notice of Allowance. In a telephone call on April 26, 2005, Examiner Brown indicated to the undersigned that the Notice of Allowance issued on February 15, 2005. Strangely, had that been the date of the Notice of Allowance, the Issue Fee would not yet be due. In any event, applicants request the Office to remail the Notice of Allowance and reset the period for reply thereto.

A search of the file jacket and docket records indicates that no Notice of Allowance has been received in this case. A copy of the file jacket and the docket record where the nonreceived Office communication would have been entered had it been received and docketed (May 15 or 16, 2005) is attached.
